The original "Kama Sutra" was designed to help lovers to explore the height of sensual and erotic pleasure. Since then numerous variations have been produced on this manual for love-making. Here, in one giant volume, is the fullest ever collection of "Kama Sutra" positions and its modern variants, including all the positions featured in the original text plus over 50 more. Each position is clearly explained, with specially commissioned illustrations by award-winning artist Carolyn Weltman and Louisa Minkin. Also included are little known, revelatory stories of how each position developed, plus the full, unexpurgated history of the Kama Sutra's own genesis. Packed with beautiful illustrations and sensual nuggets of inspiration, "The Mammoth Book of the Kama Sutra" is the fullest ever collection of the world's most popular lovemaking text.
